Subcontract contact information:

As a reminder, SOMOGC's deadline policy is 5 business days prior to sponsor's published deadline for administrative components and 2 business days prior to sponsor's published deadline for scientific components. Due to an expected increase in proposal submissions, the Department of Surgery's new deadline policy is **10 business days prior to sponsor's published deadline for administrative components** and **4 business days prior to sponsor's published deadline for scientific components**.

Please return this form to Erin Haggard (quw7kd@uvahealth.edu) at least **30 days in advance of your plans to submit a proposal**. Investigators who fail to meet the specified policies and deadlines must request an exception from the Chair of Surgery.
